

Sixth Edition of the Deloitte Private “Best Managed Companies” Award OPOCRIN S.p.A. is one of the 79 award winning companies

Modena, 30 October 2023 – OPOCRIN S.p.A. – for the second time - is among the winners of the sixth edition of the **Best Managed Companies Award**, a reward for Italian Business Excellences promoted by **Deloitte Private**, with the participation of ALTIS Graduate School of Sustainable Management of **Università Cattolica del Sacro Cuore**, ELITE-Gruppo Euronext and Piccola Industria di **Confindustria**.

“An important recognition that rewards the activity and quality of Opocrin Group’s Management. We are building a great Company and Best Managed Companies Award demonstrates that we are on the right path”. **Federico Saetti CEO of Opocrin Group.**

«In its sixth edition, the award not only represents recognition for the Italian Business Excellences for what has already been achieved, but it is a multi-year growth program in which the participating companies are supported by Deloitte experts in a path that iteratively stimulates development and strengthens with respect to the Award's fundamental success parameters and which are crucial for the management of a business. A program that becomes virtuous and long-lasting, as demonstrated by the fact that over 80% of the companies have won more than one edition, and 7 companies are in their sixth consecutive year of awarding>>, says Ernesto Lanzillo, Partner Deloitte and Deloitte Private Leader - Central Mediterranean area (Italy, Greece and Malta).

«In its sixth edition, 79 Italian Companies – thanks to their excellent management skills in a complex international scenario, won the BMC Award», says **Andrea Restelli, Partner of Deloitte** and Manager for Italy of the Best Managed Companies program. «Today, Companies and their Leaders need to be ready to overcome the numerous challenges and to be competitive and attractive on the market, leveraging the right resources, skills and investments and by paying attention to the companies’ talents», adds Restelli.
